ASSIGNMENT OF PATENT APPLICATIONS

Assignor: AtMotion, Inc., a California corporation formerly having a principal place of business in Redwood Shores, California.

Assignee: Openwave Systems Inc., a Delaware corporation having a principal place of business at 800 Chesapeake Drive, Redwood City, California 94063.

1. Assignor represents that Assignor is the owner of the following patent applications (the "Applications"):

Application country and Serial No.

United States, 09/234,617
United States, 09/169,838
United States, 09/169,361
United States, 09/169,360
United States, 09/221,334
United States, 09/373,810
United States, 09/417,525

2. For good and valuable consideration, the receipt and sufficiency of which is acknowledged by Assignor, Assignor hereby assigns to Assignee all of Assignor's rights, title and interest throughout the world in the inventions and improvements that are subject of the Applications. This Assignment includes the foregoing patent applications, all legal equivalents thereof in the United States and any foreign country, all patents issuing from any of the foregoing, and all rights to past and prospective remedies for infringement. This Assignment also includes the right to claim priority based on the filing date of the foregoing patent applications under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes. Assignor authorizes Assignee to apply in all countries in the name of Assignor or in the name of Assignee for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements

Assignor hereby represents that no assignment, sale, agreement or encumbrance has been made and covenants that none will be made that would conflict with this Assignment.

Assignor further covenants for itself and its successors and assigns to provide to Assignee promptly upon the request of Assignee all pertinent facts and documents relating to the Applications and legal equivalents as may be known and accessible to Assignor and to testify as to the same in any interference, litigation, or proceeding relating thereto and promptly to execute and deliver to Assignee or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue or enforce its rights under this Assignment.

Assignor requests the United States Patent and Trademark Office to issue any patents of the United States arising from the Applications and any reissue or extension thereof to Assignee.

3. Assignor agrees to promptly execute any and all agreements and documents in connection with this Assignment in order to complete and fulfill the terms and purposes of this Assignment.
